SIGNS ALONG THE WAY

DeRIDDER HIGH SCHOOL
DeRIDDER, LOUISIANA

Signs play an important part in the lives and spirits of all of us. They admonish us to drive carefully, direct us to a destination, and tell of an approaching circus or sale. Signs are a guide to us, telling the way, leading us, and preparing us.

As we go through our life, our school plays an important part in the path which we shall take. It leads and guides us toward those ideals for which we should strive. How we go in our later lives depends upon the direction given by our school.

In the 1964 Dragon, we have attempted to preserve the memories of this school year so that we will be able to look back upon the year and see the signs we have followed.

PLAYING CONTEST MUSIC, the DeRidder High School Band performs at the Spring Concert

Every spring the Beginner Band, Junior High School Band, and the DeRidder High School Band perform in the Spring Concert. The varsity band plays the music it will play at Music Contest and other types, while the beginner and Junior bands play different pieces they have learned during the year.

The annual Band banquet brought the year to a close for band members. The theme this year was "Band Camp" and the Band Boosters presented a program about some of the things band members had done the year before at band camp. Senior band members also received their awards for being in the band.

The 1963 Band Show was presented by the entire band, stage band, and small groups of members. The first half of the show was the entire band playing pop music. The second part consisted of the stage band and different numbers done by band members. The theme was "Memories."

CLUBS, ORGANIZATIONS

Plays, bands, and assemblies entertained the students and faculty, as well as the public this year. The Junior Class play, "Over My Dead Body," and the Beta Club play, "The Nitwits," both proved to be great successes. Many of the actors in these plays proved to have a real acting talent.

The Senior Class Minstrel also showed off talents of many different kinds. The FHA Style Show presented talent of a different kind. The newest styles were made and modeled by the girls themselves. Also at the FHA Style Show were Billy Dixon and the "Housewreckers" who really "tore the place down" pantomiming a rock and roll record.

Another kind of music was also presented. The McNeese State College band played varied types of music and created a very interesting program.

DRAGON THINCLADS WIN

To open the track season, the Dragons edged out visiting Mansfield 64½ to 63½ and left Lake Charles standing at 44 points to win first place honors in their initial track victory of the season.

In their second outing, the Dragons placed second behind LaGrange in a home triangular meet which also included outmanned Jasper, Texas. While the Dragons were copping most of the first place spots, LaGrange was winning on the combination of second and third places.

The third meet proved too much for the Dragons without anchor man Tommy Allen. There were only two first places captured by the Dragons in this dual meet in which LaGrange played host to the Dragons. One of these first places was notable to pole vaulter

MILE RELAY TEAM Bobby Hernandez, Billy Joe Whiddon, Tommy Allen, Sullivan Pierce, and Paul Czajkowski completed a successful track season by placing first at district meet.

FRENCH CLUB MEMBERS stayed overnight at Pleasant Hall in Baton Rouge on the LSU campus

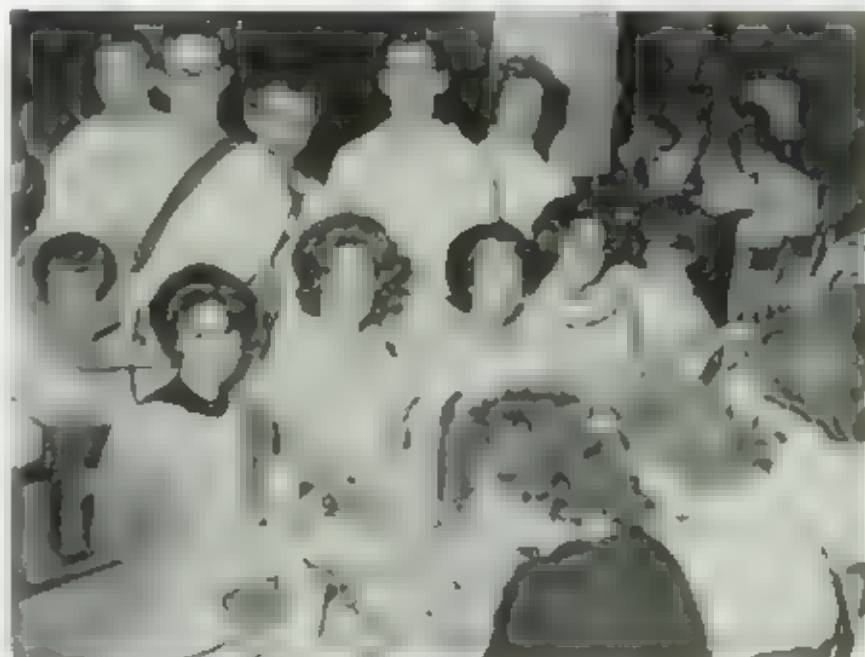

Many of the DHS clubs brought the year to a close with various projects or activities. The Library Club sold paperback editions of popular and well-known books as a fund-raising project.

The French Club enjoyed an exciting trip to New Orleans where they visited some of the many historical landmarks of the city.

Members of the Latin Club voted to join the state Junior Classical League and traveled to Shreveport for the state J.C.L. Convention. They enjoyed a "Mix-eramus" where everyone met everyone else and went to a Roman Banquet. Afterwards they enjoyed a "To-ga Hop" or a movie, whichever they preferred.

Administration

MR. J. R. GORMLEY: Principal; B.S. Louisiana State University; M.Ed. Louisiana State University

Mrs. Martin, DHS secretary, conducts much of the school business

Mr. Lewis, guidance counselor at DHS, helps students prepare for the future

ADMINISTRATORS ARE VITAL IN SUCCESS OF DHS

A look behind the office doors on a typical school day reveals Principal J. R. Gormley making announcements over the intercommunications system. This is only the beginning of his daily tasks. Mr. Gormley constantly strives to find ways to operate the school more efficiently. Mrs. Martin is seen busily working at her desk on her many reports. These are busy goings-on of the DHS office.

Another important influence in the administration of DeRidder High School is that of the Beauregard Parish School Board members. It is the duty of the board to establish school policies and to see that the needs of all parish schools are filled. The school board meets twice a month and special meetings can be called if it is necessary.

In the halls and outside, the custodians are constantly working toward a cleaner and safer school

This includes emptying trash cans, sweeping out classrooms and waxing and polishing miles and miles of tile.

From the doors of the cafeteria come tantalizing aromas which mean that the cafeteria workers are striving to prepare a good meal for the hungry students at noontime. Each meal is planned by a dietician and is served steaming hot.

Mr. Lewis, the guidance counselor of DeRidder High School, not only helps students plan their schedules, but gives tests which determine a student's academic ability and vocational preference. He instructs seniors in their selection of a college or university or a vocation.

A good administration insures a well-run school system and happiness for all involved.

TRIBUTE TO COACHES

This season five men have trained a team which we, the students of DeRidder High School, and the people of DeRidder can truly be proud. This team, backed by students and loyal fans filled with school spirit, played each game with but one hope and desire—to win in a sportsman-like manner. To win, so the Dragons could go to State.

While shouting, "We took District," we sometimes forgot who made this possible. The team won, but they had to be coached by men who are devoted to and love the game of football. Such men are Coaches Cecil Doyle, Donald Soileau, Sammy Essmeier, Donald Gibson, and Robert Jantz. Head Coach of the Dragon squad, Cecil Doyle, was cited for the best coaching job in the Southwest Louisiana District. And due to the untiring efforts and devotion of these men to the team and the school, we dedicate these pages of football to those who put the Dragons into action.

DHS DRAGONS CAPTURE DISTRICT 4-AA CROWN,

MANAGERS OF THE DRAGON SQUAD are David Richmond and Robert Johnson

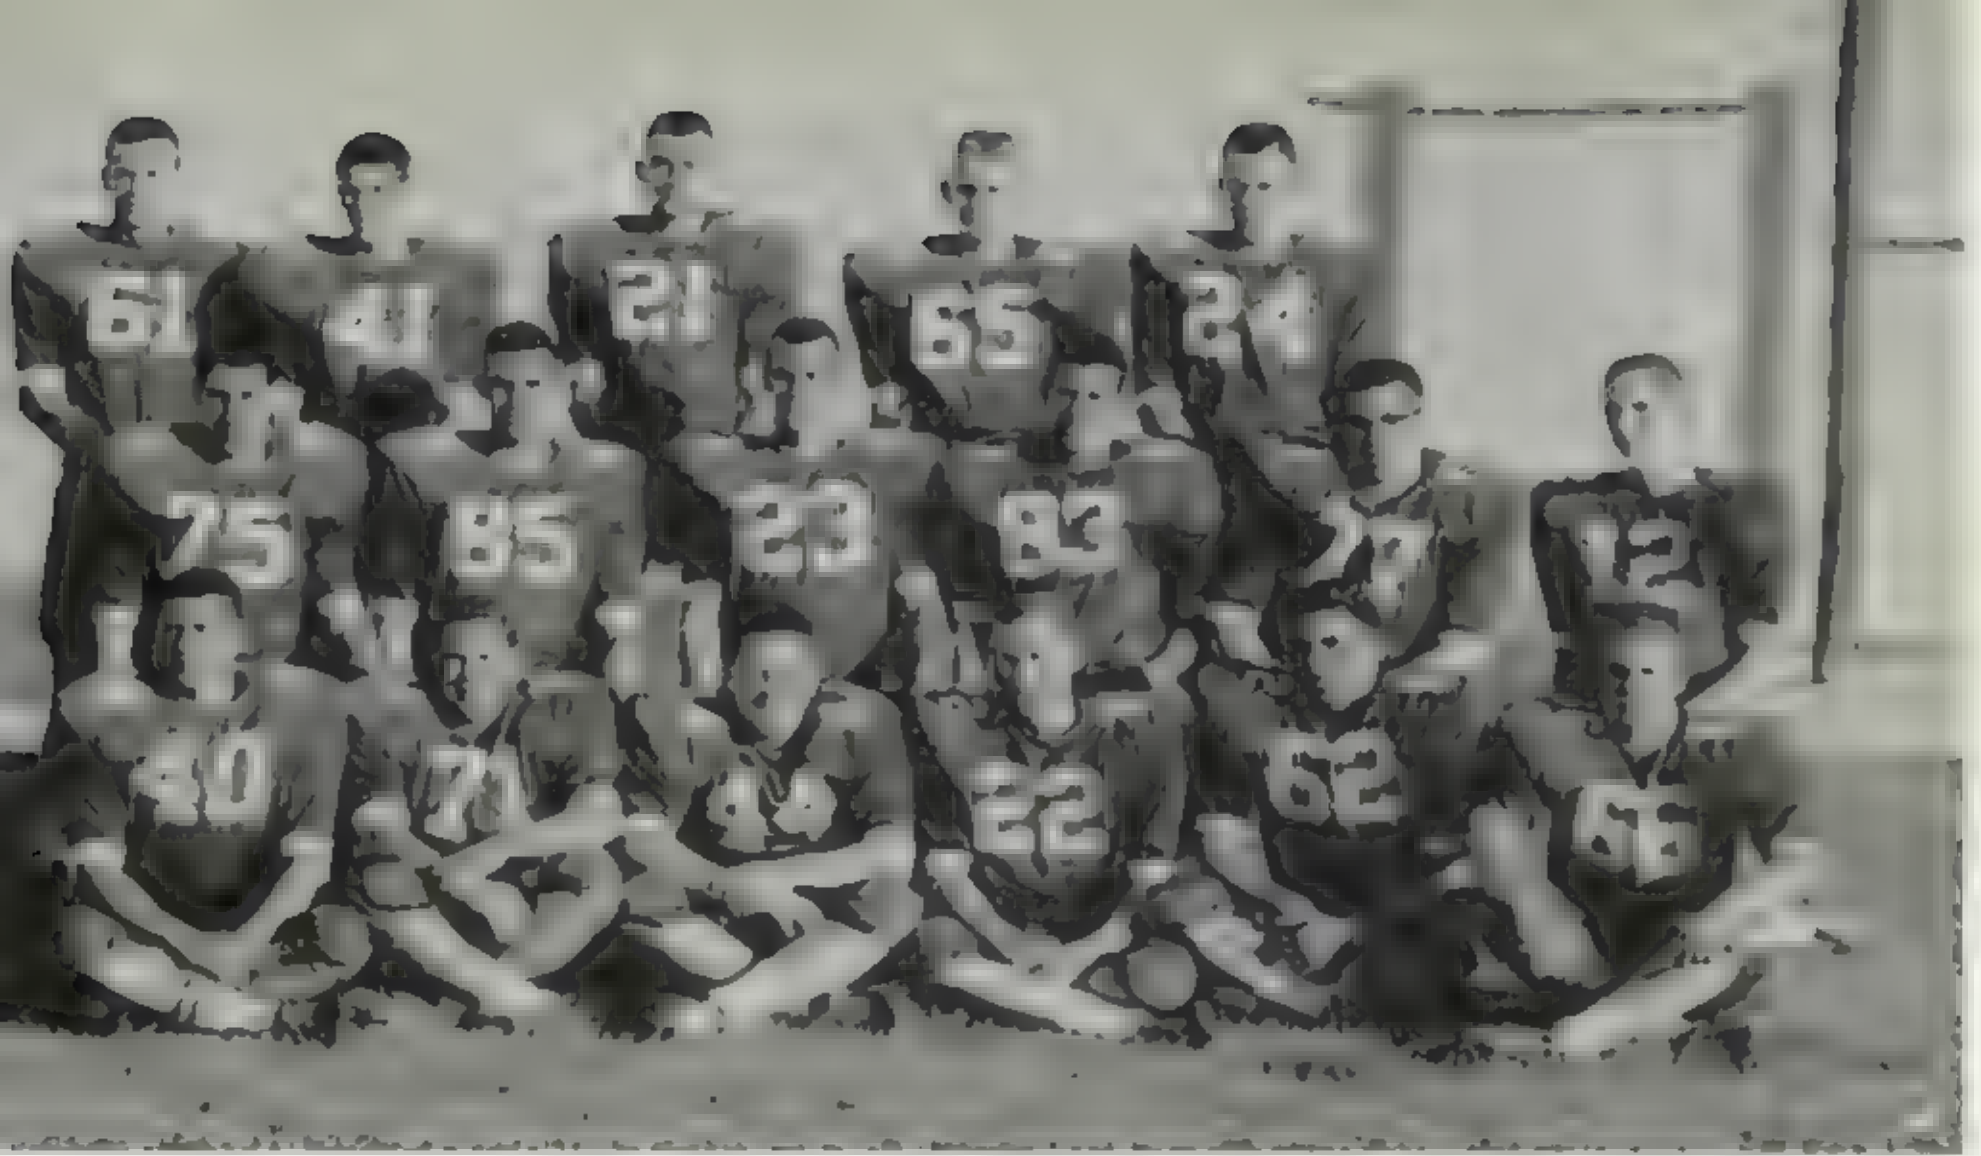

The DeRidder High School Dragons fielded a squad of sixteen mighty seniors. For those sixteen this last year on the varsity squad is one they will never forget

The blue and white kicked off the football season with a hard fought game against the Pineville Rebels. The mighty Dragons ran in with spirit and walked off with a 19-13 victory. The next game with the Natchitoches Red Devils ended in a grim 7-7 tie

The Dragons hit the Westlake Rams for a 26-14 victory and then turned full force upon the De-Quincey Tigers. The Tigers, too, were defeated in a 33-7 battle

The Dragons met the Leesville Wampus Cats for the last scheduled game of the season. Because of injuries to several of the players, the usual starting eleven did not play in the game. The second string displayed fine spirit and sportsmanship until the final buzzer sounded on a 28-6 loss

The Ville Platte Bulldogs met the terrific force of the Dragons and suffered a 49-0 loss. The Dragon blocking proved effective as run after run was made through the Bulldog line.

The second conference outing proved to be quite a game. The Dragons struck early with hard-hitting scoring drives against the Eunice Bobcat line. This important victory over Eunice left the Dragons with a good chance for the Championship.

The Dragon defense received a good workout in the Opelousas game. Breathing fire, the Dragons roared past the Tigers with three touchdowns and two extra points. This totaled three district wins and made Homecoming a wonderful and happy event at De Ridder High School.

The week before the fourth conference game tension was high and spirits were rising. There was one reason—JENNINGS, the traditional rival. Student pep rallies were held at noon, and posters and school colors decorated halls, windows, and doors.

The time arrived with perfect weather and a tremendous, excited crowd came to Bulldog Stadium to see THE GAME of the season. The Dogs started off with a fine show, making a touchdown in the first quarter and another in the second. The first extra point failed, and this gave the Dragons their chance.

In the third quarter the Bulldogs watched the Dragons' Tommy Allen make two touchdowns and Stuart Martin kick two extra points. One point made the Dragons the victor. Homecoming was a sad occasion as Bulldog fans watched the score change to

the Dragons' favor. Now only Oakdale stood in the Dragons' path as they marched toward District

In a downpour of rain, the Dragons outlasted the Oakdale Warriors and captured the District 4-AA crown. For the first time since 1955 the title of District Champions was back in DeRidder. At the half the game was scoreless, but the Dragons made a great drive. This victory of 13-0 gave the Dragons a record of eight wins, one tie and a perfect district record of five wins and no losses as well as putting them in the state playoffs.

The Dragons finished the season with nine wins, two losses and one tie. One loss was to the Leesville Wampus Cats and the other was to the Minden Crimson Tide.

The Bi-District playoff with Leesville was the Dragons' ticket to the State Semi-Finals. The 34-19 victory was a happy one for DeRidder.

The Minden Crimson Tide played host to the Dragons at Northwestern State College Stadium, a neutral site to decide the winner of the State "AA" Semi-Finals. The Tide won over the Dragons 27-0 and went on to win the State Championship.

Making the All-District team were Tommy Allen, Billy Lofton, and John Moses. Voted Most Outstanding Lineman was John Moses. On the second All-District team were Stuart Martin, Ricky Marshall, and Kenneth Palmer.

Tommy Allen and John Moses also made All-Southwestern and All-State.

In the DeRidder-East Beauregard Invitational Tournament the Dragons placed second, and in the Parish Tournament they placed second.

The Eunice Bobcats played host to the DeRidder Dragons for what was to be one of the toughest games for each in conference play. But the Dragons were ready, and they went through their plays and showed real teamwork. At the end of the fourth quarter, the Dragons held a 91-60 victory.

In District 4-AA basketball competition, the Dragons blasted the Ville-Platte Bulldogs 69-29 in the DeRidder High Gym. In the first quarter, the Dragons scored 29 points to the Bulldogs 9. This victory gave the Dragons a record of 4 wins and no losses in district play.

Unbeaten in district play, the Dragons quickly chalked up a 17-3 lead in the first period against the Opelousas Tigers and stayed ahead all the way. At the end of the game, the score was 50-37, in favor of the Dragons.

To bring them closer to the District Championship, the Dragons dropped the Jennings Bulldogs in cage competition at Jennings. This gave the Dragons a 6-0 slate in conference play.

With a new coach and renewed spirit, the DeRidder High School Dragons began a new season of basketball. Coach Sammy Essmeier, the new coach, graduated from Northwestern State College with a major in upper Elementary physical education. Coach Essmeier came to us from Basile, Louisiana, where he was assistant football coach, head track coach, girls' basketball coach, and teacher of boys' P.E. There were no pre-season practices, but this did not seem to hinder the Dragons' ability in the least.

With two returning starters and six new men, the Dragons looked forward to this year's basketball season. Bryan Slaydon, Bobby Simmons, and Glenn Nery were added to two

regulars, Scooter Martin and Bobby Hernandez.

The Dragons traveled to DeQuincy for the first cage encounter of the season on Friday. DeQuincy Tiger defeated them by a score of 6-52.

After the first defeat, the Dragons began to show intense skill and sportsmanship. In the annual Round Robin Tournament, the Dragons placed second, losing only to East Beauregard Trojan.

The Dragons again met with the Fannie B. Boat for this time in the DeRidder game. The Dragons played a very good game and stretched their district record to seven wins and one loss.

The DeRidder High Dragons claimed the District 4-AA championship with a victory against Oakdale. For spectators it was an edge-of-the-seat game all the way, and the Oakdale Warriors kept the Dragons hopping until the final quarter. Half-time score was 30-30 in favor of the Warriors. Oakdale outpointed the Dragons again in the third quarter 15-10, but the DeRidder cagers led ahead in the final quarter to win the game and the title. The final score was 70-61.

DeRidder ran its district mark to 9-1 by posting a 71-40 victory over Jennings in 1-AA district contest.

In the Parish Tournament hosted by the Merryville Panthers, the Dragons topped Merryville 87-58 and won over Singer by a score of 65-54.

In the finals the Dragons met East Beauregard. Both had already been named champions in their district. The battle of the champions ended with East Beauregard victorious by a score of 71-52.

In the bi-district playoffs for the state championship, the DeRidder Dragons met the Jena Giants.

The Dragon Band performed the year with even more brilliance than in preceding years. The Jasper Fair Parade, the Beauregard Parish Fair Parade, and the DeRidder High School Homecoming Parade would not have been complete without the DeRidder High School Band.

Under the direction of Mr. Grady Kyle, the band has out-performed all other bands which have marched on our Memorial Field.

Mr. Kyle, who is the present chairman of the Louisiana State Band Directors was also chosen the director of the bands which performed at Band Day at Louisiana State University.

Many proud members of the band were chosen to the All-State Marching Band which performed at the Louisiana All-Star Football game and to the All-State Concert Band which performed at the State

Teachers Convention

Mr. Kyle, who has been band director at DeRidder High School for six years, is aided by the band officers and band council in making important decisions which concern the band. The band officers and band council members were chosen at the first of the school year. The band council includes two members from each class plus the drum major, band director, and band president.

The band traveled to Jasper, Texas, for the Jasper Fair Parade. They performed excellently for the huge crowd of Texans and were judged first place in the band division for having more points than any other band there.

The band helps boost the Dragons to victory on the football field and on the basketball court where the players are cheered by the Dragon basketball band.

Drum Major Harold Gauthier led the DeRidder High School Dragon Band through thick and thin. Harold gained experience as a Junior Band drum major for two years. Even though this is Harold's first year as Senior Band drum major, he has led the Dragon band in many outstanding half-time shows and parades.

Band Council members are elected by their individual band classes to represent each class on the band council. Nominees come from all the members of the separate classes in the band. The Band Council discusses band problems with Mr. Kyle and helps him make important decisions which concern band members.

The Dragon Band officers are chosen from the entire band by popular vote with the exception of the vice-president who, although elected by popular vote, must be a junior. The junior vice-president will advance to the band presidency when he becomes a senior the next year.

This year thirteen DHS Band members traveled to LSU for the first All-State Marching Band. Under the direction of Jimmy Hudgins of Stephen F. Austin State College, the All-State Band performed at the All-Star football game held in August at the Tiger Stadium in Baton Rouge.

This year talented DHS Band members were added to the All-State Concert Band. These members were Dexter Florence, Sue Carol Griffiths, and Harold Gauthier.

The basketball band performed at most of district games and helped boost the mighty Dragons to victory.

BOYS' THIRD PERIOD CHOIR was an addition to the music schedule this year

DHS CHOIR DISPLAYS ITS TALENTS AND ABILITIES

The DeRidder High School choir provides not only enjoyment, but also gives students the opportunity to develop their musical talents. Most important of all, the choir serves as an outlet for its members' feelings and a chance to express themselves.

All chorus members first audition with Mrs. Kyle, choir director, and Carolyn Barr, pianist, to determine their vocal range. After this determination is made, all settle down to serious work.

At the beginning of the year, new officers and a sweetheart were elected. The officers conduct business meetings and the social activities of the choir.

A new addition to the music schedule this year is the third period boys' choir. These boys showed much enthusiasm for their new musical activity.

The girls' trio is another important part of the DHS Choir. Henda Hines, Charlotte Palmer, and Sharon Palmer made up this specific group.

Fourth period is also music hour at DHS. A large group of young ladies is active at this particular hour.

The senior choir presented the music at the Americanism Seminar at the gymnasium.

SCHOOL SPIRIT IS EXHORTED BY CHEERLEADERS

The cheerleaders and the pep squad play very important parts in the extracurricular school activities. If it were not for these two groups, school spirit surely wouldn't reach great heights. The pep squad participates in all football games by yelling with the cheerleaders and performing hand motions to band music. Pep rallies would not be complete without these girls; they play a major part in arousing school spirit.

At some of the more important basketball games, the pep squad is present in uniform. Every Monday during football season the pep squad members are required by Miss Smith, their sponsor, to meet in the gym with the cheerleaders in order to learn new cheers or hand motions.

The cheerleaders are elected by the students in the ninth through eleventh grades. The candidates who try-out must have at least a "C" average and be either in the band or pep squad. To try-out they must perform a yell of their choosing before the student body.

After being elected, the new cheerleaders travel to Northwestern State College in Natchitoches to cheerleader camp. Here they learn new yells and old, remodeled ones.

The cheerleader sponsor is Mrs. Hanchey. She is an ideal sponsor because she was a cheerleader herself when she attended DHS. Mrs. Hanchey helps the leaders with many decisions.

ONE OF THE activities of the cheerleaders is decorating buses for out of town football games.

DRAG-ON: A TELL-TALE OF DHS ACTIVITIES

Let's take a cruise with the DRAG-ON through the steps that it must take in order that you, the student, may have a copy of what goes on at DHS.

First of all the editor, Robert Watson, must plan what he wants the issue to include; then he gives the staff members their assignments.

The next step, of course, is for the editors and reporters to fulfill their duties by getting their assignments.

Among the regular columns presented in the Drag-On are "Fads and Fashions," "Meet Your Classmates," "Hall of Fame," and the sports pages.

Another important step which must be taken is the financing of the newspaper through advertising from local firms. Ads are sold by the business staff.

At deadline, the copy is checked and sometimes revised then taken to the press. The dummy is made up, run off, and checked for accuracy. When the dummies are okayed, the presses can roll.

Last, the papers are sold.

DRAGON CO-EDITORS-IN-CHIEF are Suzanne Pernici and Carolyn Brown

Since 1922 the Dragon has been and will remain one of the most important extracurricular activities at DeRidder High School. The Dragon's main objective is an effort to capture a school year between its covers. It provides a yearly chapter of the school's history and a permanent record of the year's events. If an annual can bring to mind the past with its priceless memories, it will certainly have served its main purpose.

To produce an annual worthy of containing the record of a school year, well qualified editors and a hard-working staff must be selected.

Any student who is interested in being on the annual staff is required to fill out an application. From these applications new members are chosen by the staff and faculty sponsors. The editors are chosen by the faculty sponsor with the advice of the preceding year's editors and senior staff.

Ten members from the annual staff and ten members from the newspaper staff attended the Annual Louisiana Scholastic Press Association Convention in November.

The business staff of the annual is in charge of selling subscriptions to the DRAGON and selling ads which help finance the yearbook.

In May the business staff conducts the distribution of the completed yearbooks. The business sponsor and staff also handle the sale of school pictures through homerooms.

DHS Homecoming brought back many fond memories to DHS alumni and especially to the honored Homecoming events began Friday night with the crowning of the queen and the introduction of the court. This was followed by the football game against Opelousas. The Dragons were cheered to victory by excited alumni, "Puff," the magic DHS Dragon, and students. A dance at the Civic Center for students followed the game.

Activities were continued early Saturday morning with registration and a coffee at the Civic Center. The alumni luncheon was highlighted by a "This Is Your Life" program which honored Miss Wells, one of our beloved teachers. Containing class cars and school-sponsored cars and floats, the Homecoming Parade rolled through town at 2:30 p.m. Class parties began shortly afterwards in private homes and continued until time for the alumni dance at which Norman Smith's McNeese Orchestra furnished the music.

FUTURE HOMEMAKERS OF AMERICA INSPIRE YOUNG

FHA STYLE SHOW presented fashionable winter styles at the annual style show

The Future Homemakers of America is always a very active club. It has a larger membership than any club at DHS

Steps were taken at the end of the previous year to insure good leadership. Officers were elected and attended leadership workshop at Bunkie. Also a sweetheart and court were chosen for the '64 FHA club

FHA'ers sold peanut candy to raise funds for their annual Sweetheart Dance. This was a great success. Another annual project of the FHA club is the Christmas dinner party for the faculty

In the spring the Beauregard Parish yam bake-off was held in the home economics kitchen. Diane Nichols represented DeRidder High School in this event.

In the fall the FHA presented a style show and a few added attractions. The girls modeled their original dresses. The added attractions—Louis Scallon, Bob Lurry, Ken Peavy, Larry Knoles and a few other cuties put on a style show of their own.

Sandra Stephens was awarded the Betty Crocker Award by making the highest score on the test given to all senior girls

BALL, ENDS WITH FHA CHRISTMAS DANCE

Christmas is always one of the most important times of the year. The Christmas spirit was everywhere this year as the annual ball, with all its surprises, and the introduction of the FHA Court at the FHA Christmas Dance took place over the holidays. At the Annual Ball all of the favorites, beauties, and most handsome were announced by Mr. Lewis who was the M.C. The WMCC was decorated from top to bottom in beautiful wreaths, greenery, and red bows. A gorgeous artificial tree covered with green, red, and gold balls stood in a corner next to the stage.

At the FHA Christmas Dance, everyone was still enjoying the Christmas spirit, even though it was December 27. The music was furnished by the Shadows of Franklin, who were making their first appearance in DeRidder. The FHA Court was named and Queen Sharon Mitchell was crowned. The decorations were the same as those for the Annual Ball.

Although the Christmas season was almost gone, everyone knew that the New Year would be here soon, and of course, there would be more parties. As the night ended, a thought that occurred to almost all was, how fast time flies; it seemed that almost yesterday we had just begun high school.

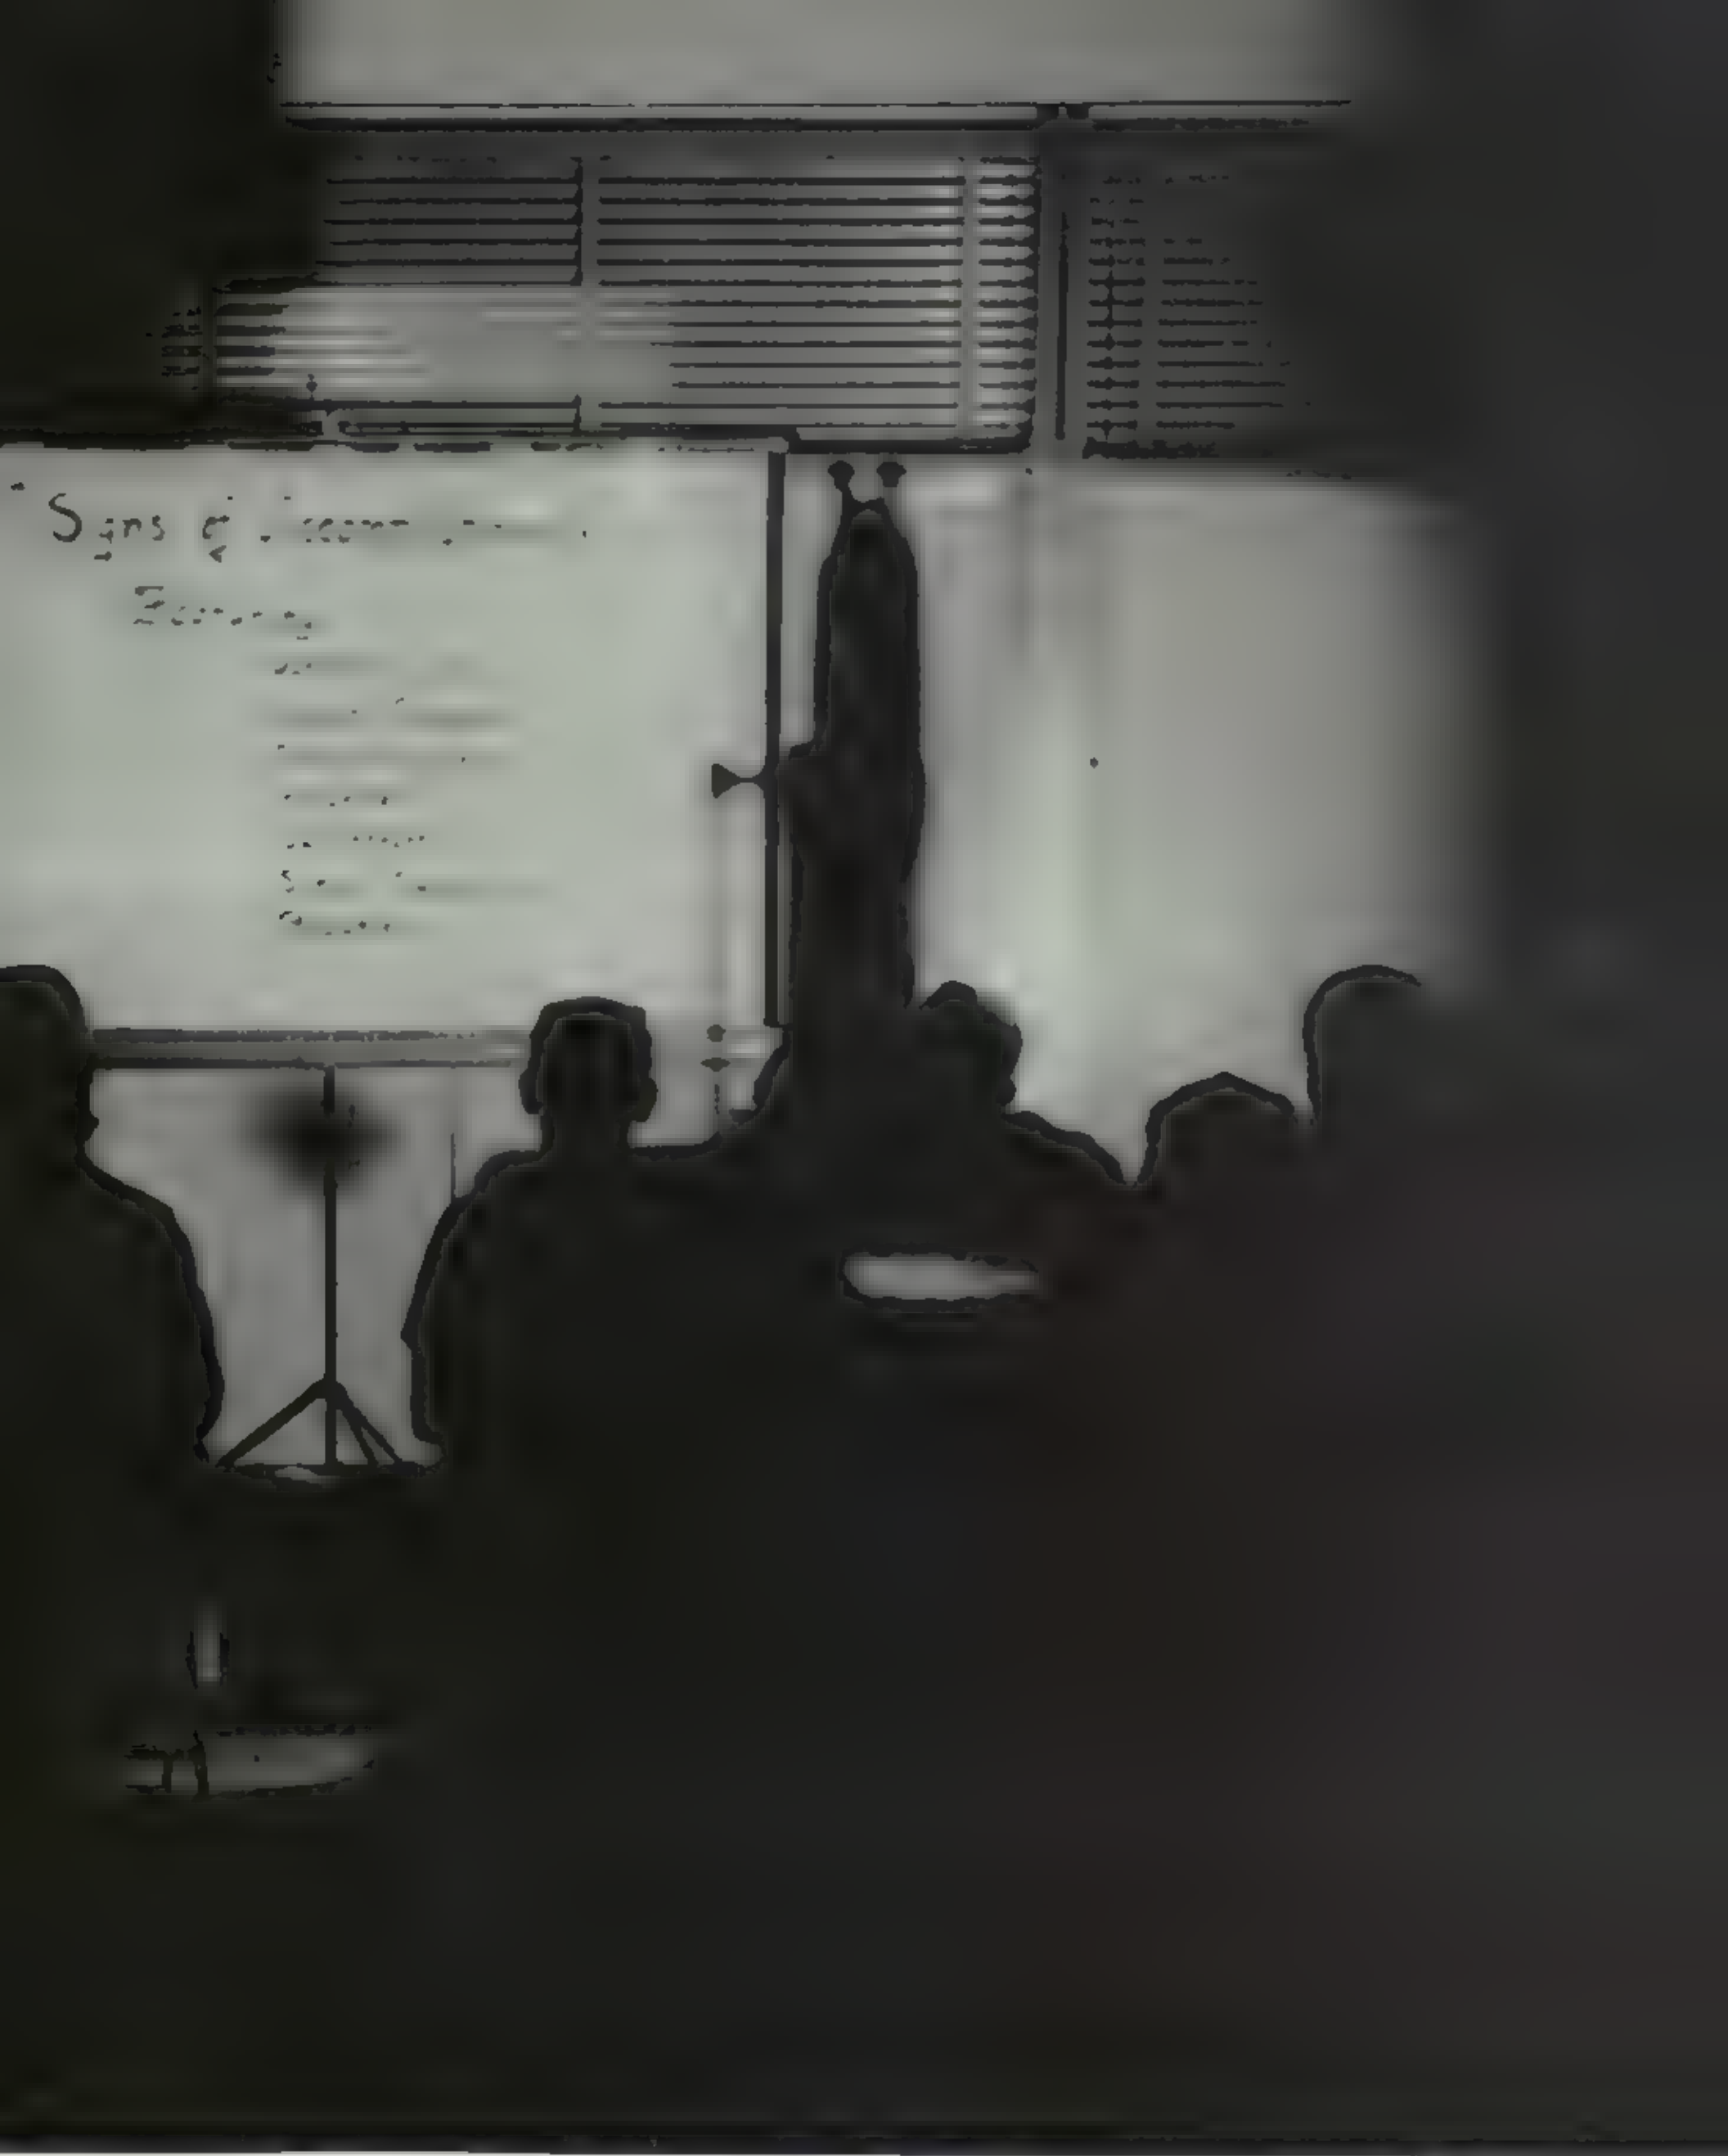

EVERYONE ENJOYED themselves at the FHA Christmas Dance

POPULAR VOTE DETERMINES CLASS FAVORITES

The students who are chosen to represent DHS classes as class favorites possess many outstanding characteristics. Friendliness, dependability, co-operation and a sense of humor are found in many DHS students, but a combination of these traits helps to make a popular student.

DeRidder High School students choose their class favorite boy and girl in the fall of each year. The candidates for favorite are nominated by petition and elected by popular vote in their respective classes. The winners of these elections are kept secret until late December when their names are revealed at the DHS Annual Christmas Ball.

The Senior Class of DHS chose Dottie Luttrell and Jimmy Hicks as their class favorites. Dottie's easy-going manner and friendly ways make her a "natural" for this honor, and Jimmy's ability to get along with people and his cheerful attitude make him a popular boy.

Wanda Cole and Bill Hyde were chosen by the

Junior Class as the best liked pair. Wanda's radiant personality and interest in her fellow classmates make her a real favorite. Bill's fun-loving manner and sense of humor were two factors in his selection as favorite.

Rating "number one" with the Sophomore Class are Barbara Governale and Jeff Kern. Barbara's big smile and her thoughtfulness of others wins the majority of her friends. Many of Jeff's friends are won by his outgoing personality and generous manner.

Connie Crofoot and Lloyd Lambert are the favorites of the Freshman Class. Lloyd's shy, warm smile and Connie's sweetness and devotion to her many friends explain why they became top choice of their classmates.

An all-around personality consists of so many ingredients that a whole book couldn't contain them. The students that represent DHS as class favorites have that "extra special something" that make them "people's choice."

DHS STUDENTS PAY TRIBUTE TO MISS IDELL WELLS

Miss Idell Wells is a native of this area and her parents were early pioneers in Beauregard Parish. She has been a DHS teacher for over thirty years. During this time, she has unselfishly given her energy, talent, and time to serve her community and those about her.

Miss Wells became a member of the DHS faculty after her graduation from Louisiana Tech and has an established place at DHS. She has always been a teacher devoted to her subject matter, and an unselfish person with her personal time. Any former DHS student not over fifty years old has either been to school with her or has come under her fine influence or teaching. She has already taught over 5000 students, seated in precise rows, always attentive, and forever reminded of the importance of the subject

being studied. She has faced additional thousands in daily study halls—quiet ones, free of "monkey business," note passing, and other nonsense which this very feminine, rather fragile-looking teacher could stop quicker than the roughest principal. But her students remember her for her mild manner, pleasant smile, and remarkable memory. They also remember her car "Susie," which was once a favorite subject of DHS conversation.

A sponsor of DHS parties, plays, clubs, and other numerous activities, Miss Wells has used her time and energy to help build the quality and character of DHS and its students. Even those who have not met her in the classroom are familiar with her efficient methods and her code of conduct.

STUDENTS AND FACULTY HONOR MR. NATHAN LEWIS

In 1960 the DeRidder High Guidance Department was established. From the founding of DHS until this time, there were few ways by which students could be assisted in planning their high school curriculum or their years after graduation. The need for a guidance department became apparent to both the school's faculty and the administration; therefore, after much planning, Mr. Nathan Lewis established such a department.

The purpose of the guidance department is to help each student understand himself, his educational potential, and his ability to succeed in various occupations. With the growth of this department, new and more efficient ways have been found to fulfill this purpose.

Complete folders on individual students are kept in the guidance department. These folders, which are always available to students, parents, and teachers, contain much vital information. This information includes the results of standardized tests, the student's

autobiography, his personal data sheet, his projected curriculum, and his interest as established by the Kuder Preference Test.

Information concerning college and career choices is also available from the guidance department. Career pamphlets are always available to DeRidder High students. College handbooks of all Louisiana colleges, plus a few out-of-state colleges, can be used by students at their leisure.

Mr. Lewis personally assists and directs the Senior students in making career choices and in deciding which college to attend. Seniors are interviewed at least twice during their last year in school.

The guidance department, with its multiple functions and its personal assistance, is greatly appreciated by the DeRidder High School students and faculty. The students of DHS often express their thanks and appreciation to Mr. Lewis, the guidance counselor, for his successful accomplishments and the service which he is rendering to them.

The DHS Beta Club, which is affiliated with the National Beta Club, is composed of juniors and seniors selected by the faculty. They are chosen on the basis of scholarship, leadership, achievement, and moral character.

The new Betas were initiated last spring in an inspiring candlelight ceremony. At the installation each new officer was presented with a candle symbolic of his duty.

A Beta Club car, decorated in colors of black and gold, was entered in the Homecoming Parade.

Beta Club is a service club; the service project for this year was a successful effort to aid other students in their weaker subjects.

Highlight of the Beta Club year was the annual trip to the state convention held in Baton Rouge at the Capitol House, January 24-25. The trip was financed by a rummage sale and a play presented the preceding spring.

QUILL AND SCROLL

1963-64 QUILL AND SCROLL OFFICERS—Joan Capano, president; Carolyn Brown, vice-president; Glynda Welborn, secretary; Sharon Cooley, treasurer; Suzanne Pernici, reporter.

Quill and Scroll, an honorary organization, honors the outstanding members of the annual and newspaper staffs. The members are chosen for their work on these staffs. They must maintain a "B" average throughout the school year and be recommended by their supervisors.

In the early part of February, the new members were initiated into Quill and Scroll. The initiation was conducted in the chorus room by the officers, sponsors, and older members. The new members were

presented with the club pin and a one year subscription to **QUILL AND SCROLL**, the club magazine.

Representatives traveled to Baton Rouge in November to the Louisiana Scholastic Press Association Convention along with members of the annual and newspaper staffs. The convention was held at Pleasant Hall on the L.S.U. campus. Lectures on headlines, pictures, and newspaper writings were given by prominent newspaper men and photographers.

LIBRARY CLUB

DECORATING the Christmas tree in the library with cards containing the name of each senior's favorite book and author is a special project of the Library Club

The DeRidder High School Library Club is a service club organized to aid both teachers and students. Its primary aim is to encourage an interest in books and reading.

Each member works at the circulation desk, shelves books, writes over-due notices, makes posters and displays for publicity, writes articles for the school paper, helps other students find reference material, and mends books and magazines

This year about thirty students were members. A very full program of work and fun was planned by the program chairman. Two such events were a scheduled visit to an army library at Fort Polk and a February dance at the Civic Center.

The club is a member of the Teen-Age Library Association of Louisiana. Last year one of the members was elected vice-president and program chairman of L.T.L.A.

Those students who have a special talent and a genuine interest in art are members of the Art Club.

The Art Club has had many projects for raising money. These included selling kitchen knives and making Christmas decorations. The decorations not only provided extra money for the Art Club, but they also added an extra sparkle to the classrooms during Christmas time. Another money making project spon-

sored by the Art Club was candy sales.

With the money that the club makes, the Art Club takes a trip each year. So far the Art Club has traveled to Shreveport, where they visited the Art Museum, and to Six Flags Over Texas last year. As of now, the Art Club has not decided where they will go for their next trip.

JR. ACADEMY OF SCIENCE

JR. ACADEMY OF SCIENCE OFFICERS—Phillip Redmond, vice-president; Harold Gauthier, president; Cathy Parsons, secretary; Lynette Poe, treasurer

This year marked the third year of the DeRidder High School Junior Academy of Science. Two new sponsors, Mr. Gene Hanchey and Mr. Percy Duplissey, replaced Mr. Walter Elliott and Mr. Jerry West. These two, along with Coach Donald Gibson and Mr. Mark Walker, had many new ideas and plans for the club.

Mr. Glorioso, assistant state science supervisor, attended one of the meetings and spoke to the members about an Aero-Space Seminar to be held at Louisiana State University in Baton Rouge on November 19 and 20. After much discussion, the group decided that several members would be able to attend. Those chosen to go were Lynette Poe, Mary Jo Seale, Annette Hughes, Claudia Ledoux, Joan Capano, Phillip Redmond, Robert Belehrad, Leon Hamilton, Leston Vick, Robert Watson, and Robert Wise. Reports were given by these students to those in the club who were unable to attend.

At the beginning of school the 4-H Club revised its membership. It lost some old members, but gained new ones. This year the club has a new sponsor, Mr. Salter. After reorganizing, the members elected their officers and their sweetheart. The 1964 Club Sweetheart is Pat Young Bailey.

At the 4-H meetings representatives from Beauregard Parish discuss items which are of interest to all the students.

At the Beauregard Parish Fair many entries were made by 4-H members, and many prizes were won.

The annual Achievement Day, held in the spring, is an event to which all 4-H'ers look forward. Members prepare early for Achievement Day.

SANS SOUCI WRITERS

Sans Souci Writers was organized in 1958. Since its origin, Sans Souci has encouraged student writing; this fact is emphasized in the club's well-chosen motto, "Have ambition, will write."

Each year club members submit manuscripts to area, state, and national contests. This year essays were sent to California to the National Anthology of High School Essays. Students whose essays were accepted for publication were Robert Watson, Mary Jo Seale, Norman Brown, and Sue Carol Griffiths. DeRidder

High School was also represented in the Anthology of High School Poetry with the poems of Linda Cartwright, Donna Helsel, and Sue Carol Griffiths. Sue Carol's poem was accredited with being one of the outstanding in the collection

Enjoyment was the keynote at the Annual Christmas Party. In conjunction with what has become a Sans Souci tradition, each member brought a toy, and these were distributed to needy children

The Student Council is composed of students who are elected from individual homerooms to represent these respective homerooms.

The officers elected for this year are Tommy Allen, president; Johnny Lewis, vice-president; Sandra Stephens, secretary; and Diane Nichols, parliamentarian.

The Student Council was begun at DeRidder High School in 1950. In 1964, the constitution was revised, and the council has operated under this constitution since that time.

Activities of the Student Council include preparing ballots and conducting school elections, maintaining a lost-and-found department, and sponsoring the annual Student Government Day.

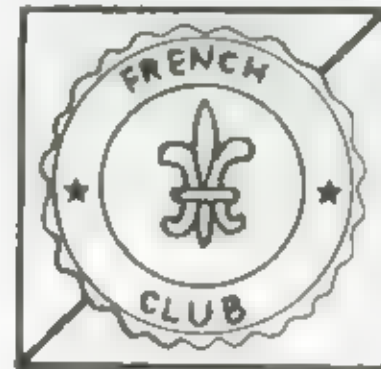

THE FINANCE COMMITTEE of the Student Council, Sandra Stephens, Rita Tanberg, Richard Dunand, and Phillip Redmond, discuss plans for the State Workshop.

FRENCH CLUB

MODERN LANGUAGE LAB proves to be a helpful aid to these French students

The French Club, which helps promote interest in the French language and in the French people, started out its activities this year by revising its membership and electing its officers

The French Club helps its members to learn more about the French culture. At a special meeting, movie slides were shown of France and other European countries. A special French program was given by French Club members for the PTA

One of the favorite projects of the French Club is the annual French Club trip. Not forgetting their French friends in Louisiana, The French Club members have traveled to New Orleans and South Louisiana. These trips are not only enjoyable, but also prove to be very educational

LATIN CLUB

The Latin Club, sponsored by Mrs. Lanette Matthews, limits its membership to those students who are taking Latin or have completed a two-course

Last year the club joined the Louisiana Junior Classical League and the American Junior Classical League. This year students were able to purchase membership cards and club pins or charms from the Louisiana J.C.L.

For a money-raising project the club sponsored a rummage sale. Each student who wished to attend the Louisiana Classical League Convention in Baton Rouge was entitled to participate. This year our local club was not able to participate

FFA

CHECKING THE GROWTH of the newly planted tree is FFA member Tandy Fisher

The Future Farmers of America have been busy at work since the close of last year.

Paul McWhirter who acted as a delegate for the DeRidder Chapter attended the National FFA Convention in Kansas City, Missouri, during the summer. Paul also attended Forestry Camp during the summer where he placed first in an essay contest with his essay entitled "My Search for Knowledge."

Mr. C. C. Welborn, the club sponsor, and the newly elected officers attended Leadership Training Conference during the summer to prepare for officer duties for this year.

Mr. Welborn, the club members, and Lillette LaCaze, club sweetheart, attended the state FFA convention in Baton Rouge this summer. The chapter received a superior rating among the top Louisiana chapters for the fourth consecutive year. Guy Herman, John Johnson, and Paul McWhirter received their Louisiana State Farmers Degrees.

INDUSTRIAL ARTS CLUB

INDUSTRIAL ARTS CLUB MEMBERS and sweetheart open their gifts at the annual Christmas party

The Industrial Arts Club started off this year by electing their officers and their Sweetheart. The officers are President, Curtis Miller; Vice-President, Kenneth Palmer; Secretary, William Sines; Treasurer, Kenneth Maisel; Reporter, Gary McDonald; Historian, Susan Ansel; Parliamentarian, Robert Watson, and Sergeant-at-arms, James Gibson. The sweetheart for 64 is Carolyn Shirley.

The Industrial Arts Club has sponsored a "weenie" roast, a dance, a rummage sale, a Christmas party, and a candy sale. The Club is raising money for their annual Industrial Arts Club Convention.

At the state Industrial Arts Club convention last year the DeRidder Chapter won first place for their scrapbook; and Mr. Gasperez, the club's sponsor, received the award for being the outstanding sponsor of the year. The DeRidder chapter missed getting the award for best club of the year by three-tenths of a point.

INTERESTED FHA MEMBERS Merikay Stewart, Sandra Anderson, Sharon Cooley, Bobbie Bennett, and Carolyn Vaughn learn the correct techniques for knitting.

The Future Homemakers of America, sponsored by Mrs. Lynelle Crocker, is an organization composed of students who take or who have taken home economics. This organization is one of the largest in the school, and it plays a very active role in school life.

The girls made and modeled the outfits which were displayed at a fall and spring style show. They prepared and served the annual Christmas dinner at

which time the faculty exchanged Christmas gifts. The annual faculty talent show, sponsored by the FHA, was enjoyed by all the students.

At the club Christmas dance the FHA Court was revealed. The members of the court were Sharon Mitchell, Sweetheart; Carolyn Vaughn, First Maid; Brenda Craft, JoAnne Calhoun, Sharon Cooley, and Mary Jane Stark.

SENIORS

Seniors at last! It's been a long wait, but the Class of '64 has finally reached the top.

All Seniors exercised their wonderful superiority on "Dog Day." The halls were filled with shrill voices and laughter, as Freshmen trudged along loaded down with books. During the noon hour, Freshmen submitted to every wish given out by the "Mighty Seniors."

Parties, dances, and more parties made being a Senior all the more fun. Everything seemed to be nicer than it had ever been before.

To hear the Senior Class tell it, there has never been a better Barbecue at DHS than the one the Juniors gave Seniors disguised as big, tough Western cowboys and dainty Western cowgirls, had a grand time eating the good food and laughing at the entertainment.

All Seniors were excited when the time came to order invitations. No one knew just exactly how many to get, and everybody was afraid he wouldn't order enough.

All went well, though, and the time came to be measured for the caps and gowns. This was an important phase of being a Senior because Graduation Day seemed that much closer.

Finally, the most exciting social event of the year arrived—the Junior-Senior Prom. Each Senior enjoyed it immensely and thought it was a great success.

After four years of joy, tears, fun, excitement, and hard work, the Class of '64 reached the ultimate event in every high school student's life, Graduation!

SENIOR CLASS OFFICERS—Johnny Lewis, President; Susan Ansel, Reporter; Sandra Stephens, Treasurer; John Welborn, Secretary; Tommy Allen, Vice-President—measure for their caps and gowns which they will use for graduation.

JUNIORS

With two years of high school behind them, the Class of '65 entered the junior year. Now, they are upper-classmen, and inferior only to one class—the Senior

Work is one requirement of a Junior, and this year's class worked hard selling magazines to raise money for the Junior-Senior Prom and Banquet.

The Banquet ended a complete success, and now excited Juniors await the Prom—the first Prom in which each will have a part.

Harvey Gill, Bill Hyde, Ricky Marshall, Bobby Hernandez, and Jim Mann played on the Varsity Football Squad. Ricky was chosen for the second All-District 4-AA team at the close of the season. Basketball and track were other sports popular with Junior boys

Right out there, cheering the boys on were the cheerleaders. The Junior class claims three: Carolyn Swearengin, Helen Sailor, and Lillette LaCaze

Of the eight majorettes six are Juniors. Many first chair positions in the band were occupied by Junior class members. Among students chosen to Honor Band were Juniors Brenda Schultz, Sally Frusha, and Dexter Florence

BEING MEASURED FOR CLASS RINGS are officers: Ricky Marshall, President; Ann Marcello, Vice-President; Mary Jo Seale, Treasurer; Norma Lee Herrington, Secretary

SOPHOMORES

HELPING AT THE SOPHOMORE CAR WASH are officers Jimmy Lewis, President; Freddie Bordelon, Vice-President; Kay Seale, Reporter, Claudia LeDoux, Secretary-Treasurer

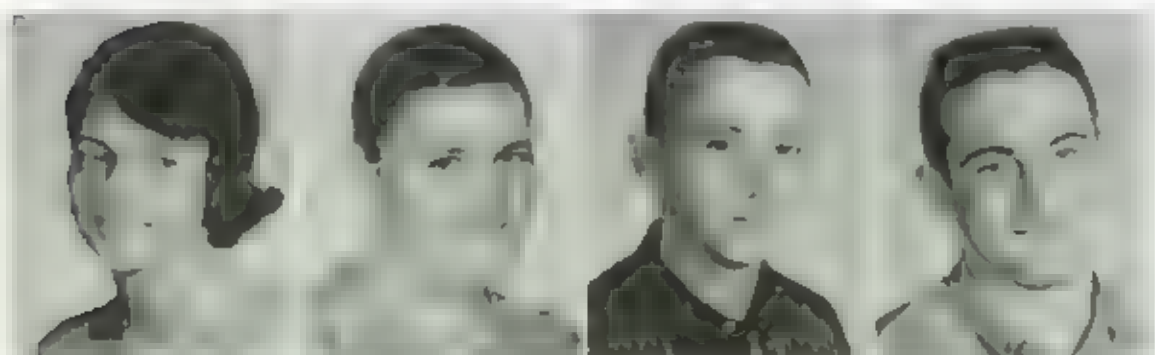

The DHS Chorus and Band included many Sophomores this year, and Charlotte Palmer was selected for the All State Chorus

The football team also boasted many Sophomore members, and the basketball team included many Sophomores. Some of these members were Stanley Slaydon, Robert Teston, Wayne Green, and Jeff Kern.

The yelling power of the Pep Squad was also increased by many Sophomores. The Annual Staff and the newspaper staff were also boosted by many members of the tenth grade

The Future Homemakers of America Chapter, Industrial Arts, and Future Farmers of America gained many Sophomore members in their organizations.

The Sophomore class sponsored dances, candy sales, and car washes. The money raised will be used for activities during their Junior and Senior years

FRESHMEN

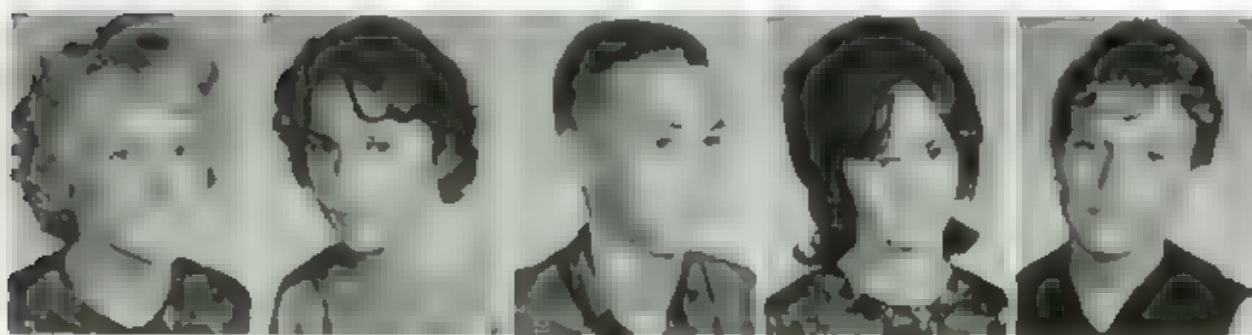

ENJOYING REFRESHMENTS AT THE ANNUAL BALL are class officers: Gene Czajkowski, President; Sherron Bienvenu, Secretary; Jo Bava Irvine, Vice President; Richard Terry, Reporter.

Despite the fact that this was their first year in high school the ninth graders have wasted no time in offering outstanding contributions to high school activities.

In athletics, the football and basketball squads benefited by the efforts of some freshman class members. Raymond Teston, Jerry Craig, Daniel Wyatt, Mike Hinson, Clarence Swilley, and Paul Shirley added power to the varsity football team while Gene Czajkowski and Darrell Janaway were on the varsity basketball team.

In the music field, twenty-five freshmen contributed their musical talents to the DHS Dragon Band and the DHS Choir boasted eight members from the Freshman Class.

The Freshman Class participated in other extracurricular activities such as the Pep Squad, 4-H Club, IFA, FHA, Library Club, French Club, and the Latin Club.

THANK YOU

We, the editors of the 1964 Dragon, sincerely hope that this yearbook will faithfully preserve your treasured memories of this year in DeRidder High School. It is our wish that you will cherish this book and the memories of this school year more and more in the years to come.

Without the assistance and co-operation of the many people involved in the production of this annual, the job would have been impossible. We would now like to extend our sincere thanks and deepest gratitude

- to Mrs. Elizabeth Phillips, our faculty advisor, for her advice, criticism, and guidance
- to Mr. Nathan Lewis for his assistance, counsel, and encouragement.
- to Mrs. Bobbie Harris and Mrs. Lennie Hanchey for their untiring efforts and eagerness as sponsors of the business staff.
- to Mrs. Noni Barrie, our local photographer, who used so much of her valuable time to supply us with expert pictures.
- to Mr. Gormley and the faculty for their understanding and co-operation.
- to the entire editorial and business staffs for the long hard hours spent to make this annual possible.
- to the Chamber of Commerce and merchants of DeRidder for helping finance this book
- to Hennington Studios and their photographers for their excellent photography
- to Taylor Publishing Company, especially Mr. Fred Elsing, for his assistance, co-operativeness, and encouragement.
- ... to all these, and the entire student body, we again say "Thank You."
